

Dance Minor

Minor

Dance courses may be taken as electives by anyone interested in dance, or students may choose to minor in dance. Introductory technique courses provide the opportunity for students to improve their technique in specific course genres, enhance their visual skills, spatial awareness, rhythm and creativity. In intermediate courses, students continue to build on these skills, and begin to focus on techniques necessary for the particular genre being studied. In advanced level courses, students gain an extension of an understanding and exploration of a genre. Students will gain experience through improvisation, compositional studies and different styles within the genre. DAN 190: History of Dance is available to students as an option in the fine arts requirement in the General Education Program. Technique courses may be taken as partial fulfillment of the physical education requirement of the General Education Program.
