

Message from SGA President

Welcome Back Valkyries!

The Student Government Association (SGA) wants to extend a warm welcome as we all return to campus and prepare for another great school year. We hope you are just as excited for this year as we are to take advantage of some of the things we worked on this summer, like providing more restaurant options for our dining services flex spending!

This year's SGA theme is all about coming together, as we focus on staying *Committed to our Community*. The Executive Committee is made up of a very diverse group of students who are actively seeking feedback from the student body. As Converse continues to undergo many changes, our goal is to make Converse a place where the students shape the culture and traditions. We invite you to join us and make your voice heard as we aim to improve the student experience, continue to invest in our Converse and Spartanburg communities, and bring attention to diverse perspectives. Our purpose is to uplift the student body through shared governance, keeping the values of advocacy, communication, and growth at the forefront. Let's continue to grow this year, together as one.

Jasmyn Williams

SGA President '23-'24
