

HPE 361 : WOMEN IN SPORT: A STRUGGLE FOR EQUALITY

For years women have had to fight for gender equality, especially in the male dominated area of sports. This course will closely examine the obstacles women have had to overcome in their quest for equality in sports throughout history. The course will be comprised of lectures, readings and discussions from assigned articles, video presentations in class, and student presentations on issues related to the struggle for women to compete in sports.
