

## CTW 100 : CREATIVITY THAT WORKS I

This “arts foundations” course is an introduction to the common elements that all the arts, including art and design, music, and theater and dance share. The course introduces and explores critical topics including creative process, collaboration, and performance, as well as professional aspects of the arts including presentation of self and networking; it concludes with an exploration of each student’s personal path from training to a successful career in the arts.
