

CTW 200 : CREATIVITY THAT WORKS II

Prerequisite for all SOA Capstone experiences. To be taken in the second year of study in the School of the Arts, this course builds on the ideas introduced in CTW 100 and looks more deeply at the creative process, collaboration, and artistic creation in all three arts areas. This course will also explore the varied paths artists follow in developing their own career paths, both within the Converse community and beyond.
