

## ART 495 : SENIOR PROJECT

An independent directed course with faculty supervision, for seniors in preparation for their graduation exhibition. Students are required to produce a series of conceptually motivated artworks, accompanied by pertinent research, a relevant artist statement, and digital presentations and a Spring term oral defense. BFA candidates are required to take this course in the final two semesters of their senior year.

Optional studio art elective for BA candidates.

3.000-6

BA and BFA studio art or art education majors.

[Department of Art, Design, and Letters](#)

3 or 6

Major credit.
