

## MTY 253 : MUSIC THERAPY METHODS AND MATERIALS

Develop theoretical and applied competencies necessary for the implementation of therapeutic/recreational music interventions to prepare for the practicum experiences in community facilities. One major emphasis of this course is directed towards the student's initial development of applied skills through exercises requiring the presentation of specific musical competencies. Course objectives relate to the rationale, planning, development and implementation of therapeutic musical activities and interventions for individuals with physical disabilities. The Functional Music Skills Examination I is administered after this course is completed.
