

MTY 453 : CLINICAL AND PROFESSIONAL ISSUES IN MUSIC THERAPY

This is the pre-internship capstone music therapy course, leading to acceptance to the six-month internship. In addition to lectures and peer group assignments, individualized sessions will be arranged with the instructor to assist in internship placement, and to develop the intern contract and Individualized Training Plan in cooperation with the internship supervisor. Self-monitored peer groups will continue from MTY 451, (or groups facilitated by a Board Certified Music Therapist not affiliated with the University) with assignments complementing lectures by the instructor.
