

South Carolina National Guard College Assistance Program (NGCAP)

This program was established to provide financial assistance to members of the South Carolina Army and Air National Guard. NGCAP covers the cost of attendance as defined by federal regulations up to a maximum amount each award year. The maximum amount will be determined annually by the S.C. Commission on Higher Education (CHE). Students who have earned a bachelor's or graduate degree are not eligible. To qualify, the student must be in good standing with the active National Guard at the beginning of each academic year and remain a member in good standing throughout the entire academic year, maintain satisfactory academic progress, be a U.S. citizen or a legal permanent resident and satisfy additional eligibility requirements as may be promulgated by CHE. The S.C. National Guard is responsible for providing a list of all eligible Guard members to CHE which will in turn notify the University. To be awarded, the student must be on the list from CHE.
