

Student Government

Elected by the student body, the Student Government Association ensures student self-governance. The association represents the diverse interests of the Converse community and provides a link between the student body and the University administration. The Student Senate is an instrumental part of SGA and serves as a deliberating team to evaluate, inform, discuss, research, and establish solutions to student and campus concerns. There are over 30 SGA-funded organizations that exist to involve and to serve the student body. A yearly student activities fee funds activities, events, and services to impact student engagement.
