

ART 410 : ADVANCED STUDIO ART

An advanced studio art class that allows each student to explore the student's own studio art concentration, as well as experiment with new media. Contemporary art issues will be discussed, along with the exploration of conceptual, research and technological components. This course can be taken up to four times by studio art majors. Lab fee.

3.000

Any level II studio art course. Juniors and Seniors or permission of the instructor.

[Department of Art, Design, and Letters](#)
