

EDU 103 : CLINICAL II: ELEMENTARY EDUCATION

This supervised 50-hour practicum graded on a pass/fail basis is the second of two sequential, incremental clinical experiences required of elementary majors. Students work in a public school setting and observe, manage, plan for, and instruct a large group, as opposed to an individual child. The practicum gives students the experience, practice, and training in the application of theory and skills in the classroom acquired in core courses in elementary education. This practicum builds on the experiences in EDU101. Sign-up deadlines are involved. Pass/Fail grading. Offered Fall and Spring terms. 3.000
