

EDU 201: CLINICAL I: SECONDARY

Required of all prospective secondary teachers. The course is for prospective secondary school teachers in all academic areas. Students observe and participate in the instructional program of a secondary school under the supervision of a classroom teacher and a college supervisor. Requirements include seminars, assigned readings, and the preparation of a journal to supplement the field experiences. Faculty advisers can supply sign-up deadlines for each term. Pass/fail grading. Offered Spring Term.
