

MIL 202 : ARMY DOCTRINE AND TEAM DEVELOPMENT

This basic course focuses on Army doctrine and team development. Course curriculum teaches Army Values, Teamwork, and Warrior Ethos and their relationship to the Law of Land Warfare and philosophy of military service. The ability to lead and follow is taught through Team Building exercises at the squad level. Students are required to apply their knowledge outside the classroom in a hands-on, performance- oriented environment during optional Leadership Lab exercises and Field Training exercises. Cadets also learn how resiliency and fitness supports their development as an Army leader.
