

PHI 299H: INTERDISCIPLINARY HONORS COURSE

This course is team taught by members in two departments and is open to Nisbet Honors Program participants and to others who meet Honors Program guidelines. Recent interdisciplinary offerings have included team-ups with the Religion program to examine issues related to spirituality and the meaning of life, and with the Mathematics program to explore the nature of numbers, infinity, and reality. All students registering for these courses must register not only through the Honors Program but also with their adviser and the Registrar's Office.
