

Bachelor of Arts with a Psychology Major

Major and Minor Calculation for the Department of Psychology

In order to earn a minor or a major in psychology, students must have a minimum GPA of 2.0 across all of their psychology courses.

Minor and major GPAs are based on the grades earned in all psychology classes taken at Converse University.

Transfer credits from other institutions do not figure into the required calculation for minor or major GPAs.

The major must consist of at least 31 credit hours.

Students preparing for graduate study are advised to enroll in as many psychology courses as University regulations will permit.
